PAR TRAINING PORTAL

The SEARS helps students move forward

- Features self-report forms for children (ages 8–12 years) and adolescents (ages 13–18 years).
- Includes forms for teachers and parents.
- The cross-informant system gathers multiple perspectives, providing a thorough measurement of a student’s social-emotional strengths.
- All forms measure common constructs but also include items designed to capture the unique perspective of the rater.
- Constructs measured are:

Self-Regulation: Self-awareness, metacognition, intrapersonal insight, self-

management, and direction.

Responsibility: Ability to accept responsibility, behave conscientiously, and think before acting.

Social Competence: Ability to maintain friendships with peers, engage in effective verbal communication, and feel comfortable around groups of peers.

Empathy: Ability to empathize with others’ situations and feelings.

- Separate short form takes less than 5 minutes to complete.
- Parent forms are available in Spanish.
