

## Socratic Questions about specific trauma type(s) to adapt

- What is child sexual abuse (or other trauma)?
- How do children feel when they've been sexually abused (traumatized)?
- Who is sexually abused (traumatized)?
- Who is affected by sexual abuse (this type of trauma)?
- Who sexually abuses children? (or physically abuses/neglects, etc)
- How does sexual abuse (addiction, etc) affect families?
- Why don't children tell?
- How do perpetrators trick kids?
- What are worries some kids might have after the trauma?
