Introduction to **CHILD SEX TRAFFICKING**

Child sex trafficking is a pervasive crime impacting all of our communities. It is often overlooked yet occurring in plain sight. But each of us has a role to play; we can start by learning to recognize the signs to be prepared to respond when we see them.

Armed with this knowledge and informed by field experts, NCMEC is excited to share a new online program to better equip law enforcement, child-serving professionals, and concerned citizens to combat child sex trafficking.
