NEW MEDICAL RESPONSES

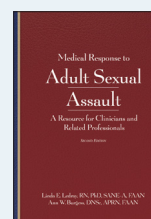

MEDICAL RESPONSE TO CHILD SEXUAL ABUSE

**A Resource for Professionals
Working With Children and
Families**
Second Edition

Randell Alexander, Nancy S. Harper
546 pages, 315 images, 46 contributors

Print: 978-1-936590-74-2 \$110.00
eBook: 978-1-936590-75-9 \$95.00

The second edition of *Medical Response to Child Sexual Abuse* is revised and updated to reflect contemporary best practices for the pediatric approach to childhood sexual abuse. This text is specifically developed to equip physicians, nurses, and other medical professionals with the necessary tools to identify cases of child sexual abuse and to effectively examine and treat sexually abused patients. It is also a valuable resource for law enforcement, discussing important topics such as the multidisciplinary team, child sexual exploitation, and the prevention of child sexual abuse and assault.

MEDICAL RESPONSE TO ADULT SEXUAL ASSAULT

**A Resource for Clinicians and
Related Professionals**
Second Edition

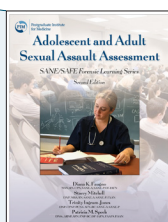

Linda E. Ledray, Ann W. Burgess
510 pages, 257 images, 40 contributors*

Print: 978-1-936590-72-8 \$110.00
eBook: 978-1-936590-73-5 \$95.00

The second edition of *Medical Response to Adult Sexual Assault* offers the best in evidence-based research on examination, diagnosis, and treatment in cases of sexual violence. Survivors of sexual assault face any number of unique challenges both on the path to physical and psychological recovery and in navigating the investigative and judicial processes related to their traumatic experiences. Medical practitioners who work with these survivors require informed expertise in order to support their patients' safety and personal well-being.

*Final table of contents, page, image, and contributor counts to be determined.

NEW ASSESSMENT WORKBOOKS

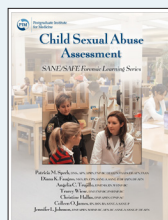

ADOLESCENT AND ADULT SEXUAL ASSAULT ASSESSMENT

Diana K. Faugno,
Stacey A. Mitchell,
Trinity Ingram-Jones,
& Patricia M. Speck
134 pages, 90 images,
with 18 contributors

Print: 978-1-936590-78-0 \$75.00
eBook: 978-1-936590-79-7 \$65.00

The second edition of *Adolescent and Adult Sexual Assault Assessment* challenges forensic examiners to refine and apply their skills in sexual assault evaluation to a series of peer-reviewed studies in the identification and analysis of case findings related to sexual assault. Readers will have the opportunity to analyze 15 sexual assault case histories and accompanying photographs of the patients' physical examinations.

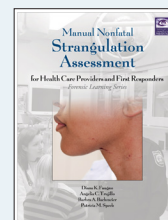

CHILD SEXUAL ABUSE ASSESSMENT

Angelia Clark Trujillo,
Diana K. Faugno,
Tracey L. Wiese,
Christine Hallas,
Colleen O. James,
Jennifer L. Johnson,
& Patricia M. Speck
138 pages, 112 images,
with 15 contributors

Print: 978-1-936590-19-3 \$75.00
eBook: 978-1-936590-80-3 \$65.00

The all-new *Child Sexual Abuse Assessment* is a self-directed evaluation of child sexual abuse cases from infancy to adolescence. Forensic examiners who respond to cases of child sexual abuse will benefit from this concise instructional guide to enhanced care for survivors. Readers will have the opportunity to assess 16 case histories of child sexual abuse, with a detailed account of each case and accompanying full-color examination photographs for reference.

MANUAL NONFATAL STRANGULATION ASSESSMENT

Diana K. Faugno,
Angelia C. Trujillo,
Barbra A. Bachmeier,
& Patricia M. Speck
138 pages, 112 images,
with 15 contributors

Print: 978-1-936590-70-4 \$75.00
eBook: 978-1-936590-71-1 \$65.00

Manual Nonfatal Strangulation Assessment for Health Care Providers and First Responders will teach beginning first responders, SANESAFE practitioners, medical residents and nursing students the language of evidence-based evaluative methods of care for strangulation patients. It will help fulfill the need for peer-reviewed information and contribute to continuing competence in care for strangulation patients.
